Use any PDA while it's in the Armor 3600. Protect your PDA from harsh environments: dirt, water, sand, snow, rain, humidity, shock and impact. Through-the-Box connectivity allows waterproof cable connections to external GPS, power supplies, printers and more.

- Fits 99% of all PDAs
- Easily use PDA through recessed, clear plastic screen
- Waterproof Through-the-Box connectivity for printer, GPS, other cable connections
- Waterproof, crushproof, dustproof
- Indestructible, reinforced ABS plastic
- Rubber overmolding for a secure grip
- Exterior stylus holder
- Adjustable Velcro® hand strap – easy use with gloves
- Unconditional lifetime guarantee
- **\$89.97**

***Never out of its element***
